

# Hi!

This is your kit for the upcoming journey mapping workshop focusing on the future of the <Insert topic>.

You have been selected as a person who has a unique perspective on the following scenario:

*"I spend too much time trying to find the digital information that I need. Whether its for my work or information related to being an employee at <company>."*

Through this workshop we would like to leverage your unique insights around the current experience to identify opportunities for change.

**Please bring:** this kit, a sharpie, your phone (or way to take a photo)

Looking forward to seeing you!
